

Insurance
Equine &
Livestock

Over 70 years of expertise protecting equine & livestock

XL Catlin offers a broad range of flexible coverage designed with the needs of horse and livestock owners in mind. What sets us apart?

Capabilities

- Underwriting teams in Kentucky, New York and London provide the personal contact of a local partner and the large capacity of a global insurer
- Access to the Lloyd's market allows for greater underwriting flexibility
- Dynamic, friendly and flexible underwriting and claims approach with 24/7 claims reporting
- Agent access to a web-based underwriting platform (Equine Online) allowing us to provide fast and efficient service.

Client service

- We are powered by innovation and driven by client satisfaction.
- We're a flat organization which allows for quick response times and expedited decision making.
- We're straightforward. We listen to you and provide products and services that are relevant and valuable to your needs.

Claims approach

- Just as no two animals are the same, no two claims are the same. We handle every claim with care and compassion. This personalized approach has built our reputation for superior claims service and fair payments.

Our financial strength

- We have a reassuringly strong financial foundation. Disciplined underwriting, consistent equity capitalization and steady growth in GPW all contribute to this healthy position.
- Strength reflected in our ratings: XL Group plc's core operating insurance and reinsurance companies have one or more of the following financial strength ratings: 'A' from A. M. Best, 'A+' from Fitch, 'A2' from Moody's and 'A+' from S&P.

For our equine and livestock products, capacity, client profile and contact information, see page 2.
